STATEMENT

With respect to Plaintiffs' motion regarding state agency documents [Doc. 632, 636], Plaintiffs will advise the court by 10/27/06 whether they are willing to narrow the scope of their request. The Class' Motion to Compel Production of Discovery and Letters of Request [Doc. 678] is entered and continued, with Plaintiffs to advise the court by 10/27/06 whether further dispute exists. Also by 10/27/06, Defendants will submit relevant authority supporting their oral motion to depose the named Plaintiffs and their financial advisers prior to a determination of class-wide liability. Plaintiffs to reply by 11/03/06.

The parties are ordered to schedule all of the Class' remaining depositions by 10/27/06. The court trusts that its instruction in this regard is clear. This includes the depositions of Tim Titus and Lidney Clarke, both of whom may be re-deposed solely as to the newly-available documents referenced in the Class' Report for the October 19, 2006 Status Conference [Doc. 717]. The re-depositions of Mr. Titus and Mr. Clarke will not count towards the 55 deposition limit. If the parties are unable to reach agreement as to any particular deposition, the court will impose a schedule of its own.

Status set for 11/30/06 at 10:30 CDT.
